**October 2024:**

- ❖ October's fundraising focus was for the Election Day BBQ and an extra opportunity BBQ at Bunnings. Lots of hours of planning and execution by the dedicated team of volunteers ensured this was thoroughly organised and there are items available for all the children. Also planning for the yr 6 graduation party has begun with some parts being locked in.

### Summary

The Main Swim Account saw a net increase of \$2,820.83 for the month, while the Debit Account had a closing balance of \$1,789.42 after a total outflow of \$292.32.

The increased balance of the Debit Card is the overflow of profits generated from the Bunnings BBQ. These funds will be retained within the account to see us through the end of the calendar year, enabling the balance of the Main account to continue rising.

FairPlay is coming in, we have had 6 redemptions (\$930.00), with a further 2 payments outstanding (yet to be processed).

### **Actions outstanding:**

- \$250.00 Bunnings float currently held in debit account owing to CSC P&C – liaising with Kat to obtain preferred account for receipt.
- \$100 Grill'd Local Matters donation to be banked to Main account.
- \$1,000 Suncorp Donation to be received by P&C then credited to Swim Club.

## Capalaba Piranhas Amateur Swimming Club (Swim Club)- Season 2024/2025

### Swim Club Report November 2024 Meeting

#### 1. Financial Update

Bank account currently sitting at approx \$15,000 and our weekly sales in the canteen seem to be consistently around the \$300 each week. We are off to a great start to the season.

#### 2. Technical Issues

Thanks to Chris Bagley who has dedicated time to help set up the Timing System to eliminate our tech issues, the night of the 29<sup>th</sup> October ran very smoothly and we now know extra time and turning off anti virus software during the meet helps.

#### 3. Stroke Correction

Hailey Farr and her mum and Chris Bagley have volunteered to assist with Stroke Correction. Hailey has adjusted her work roster to be available weekly to assist. Hailey used to compete at state/national level and her mum a swim coach for 20+ years and Chris has an extensive swimming background. Its great to have a back up to Bianca and Leisa. Hailey's sister has offered to run a Swim Clinic for our swimmers, we are working through the details on how and when this will occur.

#### 4. Pool Heating

Currently investigating the cost involved to install pool heating. We will look at a sponsor/grant to fund. Still early days but we have received a rough estimate for pool heating, absolute minimum is \$80,000 but more likely \$130,000 due to the size of the pool. Anna is happy to support with tender writing for grant applications. Pool Blanket will need to be used as it will cut down electrical cost by 50%. Noting the blanket that is normally on the rollers at the pool is missing. **Is there any information from the School regarding where that blanket may be?**

#### 5. Swim Club Website

As we are a Sub Committee of the P&C our webpage is hidden on the P&C website and believe this does cause confusion when potential swimmers are looking at our club to join thinking it is only for the CSC Students. By relaunching our own dedicated webpage that links back to the P&C

## 6. Logo

The current Logo for the Capalaba Piranhas has been around since the club first launched back in circa 1980. We believe it is time to modernise the logo in line with current times. Proposal is to keep the current logo however have a modernised version which still keeps the Piranha but introduces colour and the use of water. The proposed logo is a suggestion and if approved to update the logo we would put a couple of options to our families for a vote.

What makes a good Logo?

**Appropriate Colour Scheme:** Colours evoke emotions and convey messages. Choose a colour scheme that reflects the brand's personality and appeals to the target audience. *In this case young people.*

**Memorability:** A memorable logo sticks in people's minds. It should be distinctive and unique, making it easy for customers to recall. *Bright and colourful*

**Relevance:** The logo should be appropriate for the business it represents. It should convey the right message and align with the brand's values and industry. *The "water" marks on the logo indicate the water in the pool, we keep the Piranha but increase the colours to make it eye catching.*

**Motion: Endorse an additional logo for the Capalaba Piranhas Swimming Club to be voted on by our families.**

## 7. Mt Cotton Road News

The Swim Club was successfully chosen to include a free add in the Mt Cotton Road News Booklist deliveries. With their vast list of schools listing them as their preferred Booklist Supplier it is a great opportunity and once again by having our own website we could see an increase in new swimmers.

## 8. Birkdale Breakers Sprint Meet

We have been invited to participate in a Sprint Meet with Birkdale Breakers to be held on the 17<sup>th</sup> November. We have already had some interest. As a club we will look at running a Sprint out of our club house, its a great opportunity not only for our families but also for the club as it helps raise money due to entrance fees and also the canteen sales. We will look to run this after the Christmas Break and will be organised by the Swim Club Committee.

## 9. New Swim Club Committee Members

Welcome to Hailey Farr & Anna Rogers, both have also joined the P&C officially. Its nice to have more volunteers who are passionate about Swim Club and come with some fantastic new ideas.

## 10. Vice Chairperson Bianca Kemp stepping down

Bianca has decided to step down as Vice due to personal commitments effective immediately.

I wanted to take this opportunity to thank Bianca for her volunteering at swim club over the last two years.

Bianca was reluctant in doing so but she has been assured the door is always open for her to come down and volunteer when the stars align for her.

Thank you Bianca for your time at Swim Club.

## Mayor's message

### Celebrating a community Christmas

Christmas is always a wonderful time to bring people together and I am excited about this year's plans to help our community celebrate the festive season on Redlands Coast.

Instead of holding one big event in one location, Redland City Council has reimagined Christmas 2024 as a series of events over four weeks across both the mainland and islands.

Council has retained many of the traditional events such as the lighting of the Christmas tree, free photos with Santa, carols, and an expanded listing of four free movie in the park nights. There are also a number of exciting additions to this year's program, with the use of a smartphone app allowing families to interact with festive activities, such as the Christmas Trail and colouring-in competition, in innovative ways. The app is a fun use of technology to spread Christmas cheer.

Over the next four to seven years, Council's Digital Transformation program will see a progressive move towards more contemporary digital solutions that make it easier to access and interact with Council information and services.

In September, we launched Council's new online venue booking system, so if you're still looking for somewhere to host your Christmas gathering, why not consider a community hall or park space? You can now book, manage and pay for bookings of these Council venues online, from anywhere at any time. Visit Council's website for details.

As an important part of Christmas on Redlands Coast, Council is also supporting community-led festive events across the city.

Since the introduction of the Village Events and Activation Grants program in 2022, Council has allocated funds to help a number of not-for-profit organisations hold community events on Redlands Coast. We added an early round of that grants program this year to give even more community-led event organisers the opportunity to apply for funding of up to \$12,000.

I acknowledge the many local community groups, churches and schools who host Christmas events and traders markets – ensuring there are plenty of opportunities for local families and their friends to come together, celebrate and find a special gift for their loved ones.

These events are also wonderful ways we can all support our local community, our villages and each other. Make sure you check out the what's on calendar on Council's website for details on all the events being held as part of this year's Christmas on Redlands Coast.

## Hark! Christmas is coming to Redlands Coast

Forget the 12 days of Christmas – Redland City Council is celebrating the festive season with a four-week city-wide festival of activities.

Christmas on Redlands Coast will provide a range of traditional and new festive activities to enjoy, with Christmas activations across the city.

### Lighting of the Christmas Tree

The Christmas program will be launched at a free community event at Raby Bay Harbour Park on Friday 22 November. This event will include the annual lighting of the Christmas tree, carols, free Santa photos, roving performers, craft activities, food vendors, and the screening of a Christmas movie *The Santa Claus*.

### Festive Friday Flicks

The free Christmas movie in the park events continue weekly until 13 December, including roving performers, free Santa photos, lighting and food vendors. Festive Friday Flicks will be held at Capalaba Regional Park on 29 November – *Arthur Christmas*; Ron Stark Oval, North Stradbroke Island (Minjerrabah) on 6 December – *Elf*; and Thornlands Community Park on 13 December – *Home Alone 2*.

### Augmented Reality Christmas Trail

A Christmas Trail with a digital twist will run from 22 November to 13 December, featuring colourful floor decals of Santa, elves and snowmen at nine locations. If you download the free app on your smartphone and hold it over the artwork it will come to life, providing a great photo opportunity. See map for locations.

### Lighting Installations

Enjoy dazzling light displays across four locations from 22 November. These magical spots will be lit up nightly, perfect for families to enjoy or snap a festive family photo.

### Santa's Hotline

A special festive Santa Hotline will be located within Redlands Coast Visitor Information Centre at 50 Middle Street, Cleveland from 22 November to 20 December – ideal for anyone wanting to give Santa their Christmas wish list or just to reassure him you should definitely be on the good list.

### Interactive Colouring-in Competition and Santa's mailbox

There is also an interactive festive colouring competition for a chance to win one of eight \$50 Cineplex gift cards. If you scan your completed entry you can watch it magically come to life. Colouring-in sheets can be downloaded and submitted from Council's website or collected from one of seven designated locations, which also have Santa's Mailboxes to post your entries.
