**February 2024:**

- ❖ February's fundraising focus was the Junior Campus Disco, held 9<sup>th</sup> February. Lots of hours of planning and execution by your dedicated team ensured this was a successful fundraising event and the children enjoyed themselves immensely. Profit and Loss is sitting at +\$5000 profit but is waiting on some expenses to come through before it can be finalised.

- ❖ March's fundraising focus was the Movie Night, held 23<sup>rd</sup> March. Lots of hours of planning and execution by Michelle and your dedicated team ensured this was a successful fundraising event and the children enjoyed themselves immensely. Profit and Loss is sitting at just over \$4000 profit but waiting to be finalised. And the Election day BBQ bringing in just over \$2500 in profit

## February Monthly Commentary

February’s reporting carries over the club night takings from 31/01 as proceeds were not remitted from Square to Main CBA account until 01/02, therefore February’s income position is reflective of 5 swim meets, subsequently resulting in income appearing larger.

## March Monthly Commentary

- March’s reporting does not consider the participation fee takings received 27/03, due to proceeds not being remitted from Square to Main CBA account until April.
- The Main account is adequately funded to cover the repayment of existing debt to CSC P&C (\$5,122.48) by end of season. Payment to be released in April following wind up of season.
- On conclusion of season, funds held in the debit card account will be transferred back to Main account, as a safety measure against accidental spend during off season. Funds will be credited back to debit account when the 2024/2025 season commences.

## Capalaba Piranhas Amateur Swimming Club (Swim Club)- Season 2023/2024

### Swim Club Report March 2024

#### 1. Club Meets 24/25 Season

We have had an enquiry from a family regarding club meets for next season. The club will look to do a couple throughout the season, looking at Wishart Sharks & Birkdale Breakers

#### 2. Wishart Sharks

Great visit from the Wishart Sharks earlier this week, will be a great club for us to link in with and share learnings.

#### 3. End of Season Trophy Night

The event has been booked, shirts have been made and trophy order will be finalised following last club night on the 26<sup>th</sup> March.

We have 10 lanes booked for the kids which will be covered from the donations and the remainder of lanes have been booked by families meaning we will have the place to ourselves that afternoon. As we get closer we will need to work through a bit of a plan on how the afternoon will run, I've some ideas but want your input also as will need all hands on deck.

Some children have approached me about bowling with their friends, we will accommodate where possible and will put a call out to families so they can nominate teams.

Most families have RSVP'd but still a few stragglers, I'll continue to prompt in my weekly wrap up emails and then as we get closer will take a more targeted approach.

#### 4. Last Club Night 26th March

As we have a large number of sausages left in the freezer which have been donated we will hold a free bbq for our last club night. We will have the canteen open to purchase additional food/drinks or snacks. I'll see if I can get bread and onions donated, if anyone has any ideas on who to approach, would appreciate the guide.

I think over the next couple of weeks we may need to discount and heavily promote any food that won't last until next season so we aren't tossing anything out. For Hot Meals we could drop the price of those to \$8.50 we buy them for \$7 each so still good to make a small profit.

## 5. Nominations for next season

If you haven't done so already please submit your nominations for positions for next season. AGM is only a couple of weeks away.

## 6. Operating Guidelines

INFORMATION BOOKLET  
ALL ABOUT YOUR CLUB**

## General Rules

Swimmers must be accompanied to all club nights by a parent/guardian or a clearly identified adult who has responsibility for them. Swimmers without adult company will not be admitted to the pool area.

School and Health Department regulations require all swimmers to wear bathing caps in the pool.

Swimmers must not walk in front of the timekeepers. Movement to the marshalling areas is via the shallow end of the pool.

As a matter of courtesy to swimmers we must have quite on the referees whistle for the start of every race.

The school grounds and buildings are out of bounds. No swimmers should leave the pool enclosure during any club event. Swimmers will use the toilet facilities in the dressing sheds.

## Club Program 2024/2054

5 <sup>th</sup> October	Pool Party
8 <sup>th</sup> October	Club Night begin
10 <sup>th</sup> December	Last Club night for 2024
28 <sup>th</sup> January	First Club night for 2025
25 <sup>th</sup> March	Last Club night of season
19 <sup>th</sup> April (TBC)	Club Awards Night

## Swim Wear

Swim caps, goggles and swimmers can be purchased from the Canteen. All Swimmers must wear a swim cap otherwise they are unable to participate on club nights.

## Volunteering

For the swim club to run successfully on a Tuesday night, we require a minimum of 11 volunteers.

We require the following volunteers:

- 1x Computer / Swim Heat Builder
- 2x Marshalling
- 6x time keepers
- 2x canteen/ BBQ

Please nominate your preferred nights, roles and times you will be available by speaking with one of the committee members.

**This is a community club and we are not successful without volunteers. We appreciate everyone wants to watch their children race so lets all chip in so we can share the load.**

## Introduction

### Club Participation

Club participation is open to any person 5 - 21 years of age.

The Capalaba State College Amateur Swimming Club is bound by the Rules and By-Laws (as amended from time to time) of QUEENSLAND SWIMMING ASSOCIATION INC and the Constitution of the Capalaba State College Parents and Citizens Association.

Applications must be made on the appropriate registration form. A member of the Club Executive Committee must sight a swimmers birth certificate before they are eligible to receive trophies.

### Club Committee

Responsibility for running the club rests with the club committee. Membership of this committee is open to all parents, guardians and other interested people and we welcome your active participation in it. **Meetings are held on the first Thursday of every month, commencing at 7.00pm via teams.** If you want to have a say in what goes on in the club, this is the place to do it.

The executive committee consists of the Chairperson, Vice Chairperson, Secretary and Treasurer. Positions are elected to at a club AGM General Meeting which is to be held before the Capalaba State College Parents and Citizens Association AGM in March. The executive is responsible for club operations.

The club committee is a sub-committee of the Capalaba State College Parents and Citizens Association. It is responsible to the Parents and Citizens Association for any improvements in the pool area. The College Principal has ultimate responsibility for all activities at the pool.

## Meetings

- a) The pre P&C Annual General Meeting shall be held on the same night as the monthly general meeting in February or March of each year.
- b) The general meeting of the club will be held on the first Thursday of each month, except as altered from time to time by the executive committee during the swimming season.
- c) A special general meeting can be called by the Chairperson, any three Executive Committee members or any ten members of the Club Committee.

## Club Rules and Regulations

A copy of the club 2024/2025 Operating Guidelines and Terms of Reference is available from the Secretary or on the P&C Website. These provide the guidelines for the running of both the club administration and swimming activities.

## Club Participation fees 2024/2025 season

Capalaba Swim Club participation fees will be as follows;

- New to Club \$150 first child and subsequent child/ren \$130
- Resign to Club \$120 first child and subsequent child/ren \$110
- Half Season \$75 Flat rate
- Early Bird (resign and pay before end of current season) \$100 first child and subsequent child/ren \$90.

All swimmers will begin their season on a level playing field and all will receive one (1) point for their first swim in each stroke.

## Trophy Night

Trophy Night is to be held at 6.30 pm on Saturday 19th April 2025. This date and venue is subject to confirmation.

All swimmers who have gained points on club nights receive a participant's trophy.

Points are gained on club nights for each swim in each event. These points are awarded on the basis of improvement on previous best times and promotion to longer distances. They count towards improvement trophies at the end of the season

Other trophies are awarded on the basis of good sportsperson and encouragement. Key people like marshals, coaches, referees, and the club executive are asked to nominate swimmers for the these two awards.

## Marshalling

Swimmers must report to the designated marshalling area before their event when called by the announcer. Swimmers are responsible for getting to the marshalling area in time for their event.

Races **will not** be delayed for swimmers who are not in the marshalling area when their name is called or for swimmers who are not ready with caps and goggles when the start is called.

## Times

Times are posted to SwimTopia as soon as possible after the swim night.

**Swimmers are not to approach the recorders for their times.**

## Improvement Points System

Swimmers will compete against their own times for points based on their club night swims. Points so gained will accumulate throughout the season and will form the basis of improvement trophy allocations at the conclusion of each season.

Points for freestyle, backstroke breaststroke and butterfly sprint events will be allocated according to the following schedule;

More than 1.59 seconds slower than best time	1
Between 0.60 & 1.59 seconds slower than best time	2
0.59 seconds either side of best time	3
Between 0.60 & 1.59 seconds faster than best time	5
Between 1.60 & 2.59 seconds faster than best time	6
Between 2.60 & 3.59 seconds faster than best time	7
More than 3.59 seconds faster than best time	8

## Car Parking

This is to be used by Committee Volunteers only, due to the amount of light available at lock up time. This is a request by the School Principal. There is plenty of street parking along school rd.

## Club Nights

Club night swims are held each Tuesday with **races starting at 6.30pm**. You must nominate by 6.00pm on the night for the events in which you want to swim.

## Club Night Nominations

Nominations must be made via SwimTopia by 6.00pm each Tuesday night.

All nominations on a night are processed by computer. We attempt to pick up "faulty" nominations, but we cannot double check individual nominations. If you make a mistake, your nomination may not be properly processed, and you may miss out on a swim.

If you are not sure of any procedures or have any other questions, please ask one of the officials. We don't want swimmers to miss out on their swim, but we are highly computerised to save time and effort - and once the night is under way, there is little we can do to correct mistakes.

### Postponements and cancellations

Club Night swims are postponed only in the event of a thunderstorm or similar dangerous conditions. The club night swim will still be held in normal rain. In the event of a postponement, the club night can be held on the Wednesday night immediately following the scheduled swim night. If conditions don't allow us to swim on the Wednesday, the night will be abandoned. If part of the program has been swum before the club night is postponed or abandoned, the points from completed strokes (i.e. where every event in that stroke has been swum) will be awarded. Points will not be allocated for strokes where not all events were swum.

### Club Night Events

Sprint events are held in freestyle, breaststroke, backstroke and butterfly over distances of 12.5m, 25m and 50m. Distance events are held over 100m and 200m. Individual medley is held over 100m and 200m.

New swimmers start at lower distances. Continuing swimmers will start at the distance for which they were qualified last season. Promotion to the longer distance is achieved by swimming the times listed below. A swimmer must graduate to the longer distance after swimming the promotion time twice (need not be consecutive swims) or no points will be awarded for future swims at the lower distance.

The following times are to be recorded at a club night meet to qualify for promotion to the distances as shown:

	25m. to 50m.	100m. to 200m.
Freestyle	24 sec.	
Backstroke	28 sec.	
Breaststroke	31 sec.	
Butterfly	27 sec.	
Distance freestyle		100 sec.
Individual Medley		100 sec.

A swimmer who cannot swim the 100 metres distance freestyle or the 100 metres individual medley in less than 150 seconds will not be eligible to nominate again for that event until the swimmer obtains a clearance from the Executive Committee.

Swimmers graduating to the next distance in each stroke will take all points to their new division. Four (4) points will be awarded for the first swim in the new distance swum in each stroke.

Swimmers may swim in only one division in each event on any one club night.

## Principal's Report

---

I acknowledge the traditional owners of the land we meet, paying my respect to elders, past, present and future.

Thank you for making tonight online!  
That temperature has dropped so quickly!

It is only week two, but it's been busy.  
I need to catch up on my emails and some tasks!

### **Since the last time we met /**

We have had one of our biggest parent-teacher nights, probably the last in the senior campus hall.

We will transition to the new hall for the next one.

I sadly missed it because I was on long-service leave, week ten, on a beach somewhere in Indonesia.

### **Infrastructure**

#### **The hall is almost ready.**

We need the builder to fix some defects before we use the hall with students.

The sports equipment arrives on 14th May 2024, which is very exciting.

### **Teacher Shortages**

We currently have six pre-service Teachers on site, with another eight starting Monday.

It's lovely to feel that we are doing our part to combat the Teacher shortages.

If we give them comprehensive and supportive experience as uni students, they may stay in the industry longer.

### **Restorative Processes**

We start a new fortnightly process tomorrow in response to the growing number of suspensions across Queensland.

We offered to be part of a regional think-tank to see if we could develop strategies that could be replicated in other schools.

We are tying our review process with restorative processes to see if there are restorative ways to respond to behaviours and bad choices before going to suspension.

### **Learning Walks and Curriculum**

Our Heads of Department had a full day of training and will do another one this term to review the new Australian Curriculum.

The trainer felt we were doing too much, assessing too much and not diving deep enough into the topics, so the team is looking at doing less but deeper.

The Principals, Deputy Principals, and Heads of Department did about 1000 learning walks last term.

We start again this week.

We ask students if they know what they're learning, why, and how they improve, and then we give that feedback to the Teacher.

Students who don't know what they're learning or why are less engaged than we thought.

### **Events**

Our Cross Country went well.

Our Easter hat parade went well.

Our NAPLAN went well.

We have our year nine camp next week.

We also have our May Fourth free dress day.

We will soon release details of a career day free dress, too.

### **The actions that I have noted down:**

- Reminder at College Meeting: P and C Discretionary Funding closes Thursday
- Mother's Day: Discuss SMT and Joe promoting Mother's Day
- Discretionary Fund: Lunchtime clubs may need a resource injection (eco marines etc.)
- Discretionary Fund: Wish list application for the swimming equipment
- Discretionary Fund: Remind Academic Leadership Committee
- Discretionary Fund: Ask Gee why the money wasn't used.
- Facilities request: The fridge in the junior campus hall leaks

# Capalaba State College 2024 ANNUAL IMPLEMENTATION PLAN

<b>School Priority 1: Focus on Educational Achievement</b>	<b>Monitoring</b>				<b>Long-term measurable/desired outcomes:</b> At least 80% of students achieve an A-C across ALL subject areas At least 50% of students achieve an A or B across ALL subject areas (or equivalent based on the marking scale in the CARF)  At least 80% of students meeting year-appropriate literacy skills on the literacy continuum.  At least one year's growth for every student.  100% of Year 12 students achieving a QCE or QCIA 65% of Year 12 students holding a certificate II or higher	<b>AIP measurable/desired outcomes:</b>	
	Green –on track, Yellow – underway, Magenta – yet to commence. Shade cell at the end of each term after reflection based on progress.						
<b>Strategy/ies:</b>  From the <b>Equity and Excellence Education Strategy</b> : Knowing each student's learning progress is essential to ensuring they are on track for positive educational outcomes. Setting clear expectations for every student and every school supports them to achieve. This means we: <ul style="list-style-type: none"> <li>have a common goal that every student achieves at least one year of learning growth each year</li> <li>have clear expectations for schools and help them to differentiate support so every student realises their potential.</li> </ul>							
<b>Actions:</b> <ul style="list-style-type: none"> <li>Establish and maintain an Academic Leadership Committee to focus on learning outcomes, data reviews and pedagogical improvement, committed to a culture of continuous improvement, with the shared expectation that every teacher at our school is already or is developing into a quality educator.</li> <li>A compliant Curriculum, Assessment and Reporting Framework developed.</li> <li>Utilise Version 9 of the Australian Curriculum when updating work units for 2024 and 2025, maximising attendance at professional development delivered by the Queensland Curriculum and Assessment Authority (QCAA) and the Department of Education where possible.</li> <li>Enhance the capabilities of staff to improve student writing as a vital component of the general capabilities within the Australian curriculum.</li> <li>Continue committees and processes like the QCE Tracking Committee and selecting "marker students" from data sets for Learning Walls.</li> <li>Set individual goals for each class based on historical data, or 80% of students achieving a C standard, with 50% achieving an A, B, or equivalent, depending on the marking scale used.</li> </ul>					<b>Responsible officer(s):</b> <ul style="list-style-type: none"> <li>Academic Leadership Committee</li> </ul>		<b>Resources:</b> <ul style="list-style-type: none"> <li>SORD</li> <li>QCE Tracking Committee</li> <li>Clarity (Lyn Sharratt)</li> </ul>

<b>School Priority 2: Be clear about what the school is working hard to improve.</b>	<b>Monitoring</b>				<b>Long-term measurable/desired outcomes:</b> <ul style="list-style-type: none"> <li>Increase in School Opinion Survey questions:                             <ul style="list-style-type: none"> <li>I have access to relevant professional development (from 73% to 85%)</li> <li>I receive useful feedback about my work at this school (from 62% to 85%)</li> <li>This school encourages coaching and mentoring activities (from 63% to 85%)</li> </ul> </li> </ul>	<b>AIP measurable/desired outcomes:</b> <ul style="list-style-type: none"> <li>A consistent collection of data throughout Semester 1 to shape a Professional Development Plan for Teachers to begin in Semester 2.</li> <li>A consistent collection of data throughout Semester 2 to shape a Professional Development Plan for Teachers for 2025.</li> <li>100% of staff having a current APR.</li> </ul>	
	Green –on track, Yellow – underway, Magenta – yet to commence. Shade cell at the end of each term after reflection based on progress.						
<b>Strategy/ies:</b>  Strategy from the School Review: Implement a strategic approach to further develop the instructional leadership capability at each leadership level to drive the college agenda and lead quality teaching and learning.  Context: This capability creates a culture where constructive feedback is valued, empowering educators and leaders to build professional expertise across their careers through high-quality, targeted development opportunities. A deliberately chosen curriculum and high-yield pedagogy will increase engagement and students experiencing positive educational outcomes.							
<b>Actions:</b> <ul style="list-style-type: none"> <li>Implement a professional development program to develop the instructional skills of leaders, focusing on pedagogy and high-yield strategies.</li> <li>Implement the Collegial engagement framework with fidelity and quality assurance.</li> <li>Implement the structured observation and feedback procedures to provide constructive feedback on teaching practices.</li> <li>Implement a system of "watching others working", and learning walks to encourage teachers to observe and learn from each other.</li> <li>Emphasise the use of data to inform instructional practices.</li> <li>Facilitate regular collaborative planning sessions among teaching Staff to share best practices and discuss effective instructional strategies.</li> <li>Encourage cross-disciplinary and cross-campus collaboration.</li> <li>Publish and purposefully review the high-yield strategies documentation provided by Education Queensland.</li> </ul>					<b>Responsible officer(s):</b> <ul style="list-style-type: none"> <li>College Principal: Facilitate fortnightly discussions with the Academic Leadership Committee about collegial engagement starting Term 1.</li> <li>College Principal: Review the APR tool (MyHR) at the Academic Leadership Committee meeting.</li> <li>College Principal: Produce a list of Staff without a current APR for reviewing each term at the Academic Leadership Committee meeting.</li> <li>College Principal: Seek approval for the observation form through the LCC process in term 1.</li> <li>Campus Principals: facilitate the design of a professional development plan in term 2, to enact for Semester 2, and in term 4, to enact in 2025.</li> <li>Senior Campus Principal: collate Academic Progress Data from Daymap and OneSchool for use in Academic Leadership Committee Meetings, per meeting schedule.</li> <li>Deputy Principal: plan and prioritise time with Department Leaders to conduct observations and time to provide feedback to Teachers each term throughout 2024.</li> <li>Deputy Principal: plan and prioritise time to shadow Department Leaders during learning walks each term throughout 2024.</li> <li>Department Leaders: ensure that each member of Staff (100%) has a current APR.</li> <li>Department Leaders: Schedule observations and ongoing learning walks each term, outlined in the collegial engagement framework.</li> <li>Department Leaders: Encourage accessing classroom profiling as an optional feedback tool.</li> </ul>		<b>Resources:</b> <ul style="list-style-type: none"> <li>LCC supported observation tools.</li> <li>Learning walk forms.</li> <li>MyHR Annual Performance Review tool.</li> <li>Release time for Department Leaders and Deputy Principals to enact observations and learning walks.</li> </ul>

 <b>Culture and inclusion</b>	<b>School Priority 3: Develop a new College Vision</b>	<b>Monitoring</b>				<b>Long-term measurable/desired outcomes:</b> <i>A published vision, mission and purpose that aligns with Education Queensland localised to suit the College community.</i>	<b>AIP measurable/desired outcomes:</b> <i>A published vision, mission and purpose that aligns with Education Queensland localised to suit the College community.</i>
