Capalaba Piranhas Amateur Swimming Club (Swim Club)- Season 2024/2025

Swim Club Report Sept Oct 2024 Meeting

1. Bunnings Fundraising BBQ 7th September

BBQ was held at Bunnings on the 7th September. A very successful day with only 60 sausages left out of 70kgs and a couple of extra trips to the shops for bread and onions throughout the day. Finance report will show exact figures, raised roughly \$3700 following expenses.

We had some great volunteers who stuck around for majority of the day. Huge call out to Leisa S and her crew for staying longer than initially indicated. We also had Nicole N's Daughter help out on the counter and has indicated she wants to volunteer throughout the season. Its great to see the kids wanting to get involved with their community.

2. Redlands RSL Grant Application

July 2024 we submitted a Grant Application to Redlands RSL, this was to fund further training equipment for Stroke Correction and purchase moveable TV brackets for the timing displays and addition timing adaptor. We were successful in obtaining the full grant we submitted the application for and attended the presentation on the 23rd September to receive the funds. All items outlines in the grant application have been purchased and are ready for the new season.

3. Corflute Signs

Unfortunately we have had one of our Corflute Signs taken from the corner of School Rd and Ney Rd. We still have the remaining 3 and will store them at the Club House ready for next season sign on.

4. Canteen

During an audit of the canteen it was discovered we had out of date stock which we have had to destroy, long life milk cartons, mini chip packets and lollies. Approx \$15 worth of stock.

At the time of writing this report we are a week out from the season starting and have 45 athletes we hope to see this number grow throughout the season. I would like to thank our volunteers and our families support and look forward to another successful season.
